

Kids Stay Safe and Happy!

Our Kids Club is where kids stay safe and happy while parents work out.

Staff

Each Kids Club staff member has been chosen very carefully. All have experience or education working with young children. Washington State Patrol background checks are required for all staff and all references are carefully checked. All Kids Club personnel are certified in infant/child CPR.

Reservations & Cancellations

To properly staff the Kids Club, reservations are required. Children ages 3 months to 9 years old are accepted. You may make reservations up to one week in advance. Drop-ins will be accepted only when space is available. If no reservations are made ahead of time a \$1.00 drop in fee will be charged in addition to the Kid's Club charge. When your plans change, or when your child has become ill, please call at least 1 hour before your scheduled appointment to cancel your reservation. Failure to cancel an appointment will result in a \$5 cancellation fee per child.

Check-in

Upon arrival, please make sure that you and a Kids Club employee sign in your child. For maximum safety, unless other arrangements have been made, the same person who checked them in must pick up the children. *Parents must remain in the Club* so if an emergency should occur or we are unable to comfort your child, we will be able locate you. Kids Club is intended and equipped for short-term care only, with maximum length of stay limited to 2 hours. This will help you and your child become acquainted with the staff and new environment. Kids Club staff will be happy to answer any specific questions you may have regarding scheduling your child.

Diapers

Please label diaper bags with your child's name. Provide two disposable diapers and wipes for your child. The staff does not change diapers so you will be notified to do so if needed. A changing table is provided, along with plastic bags for disposal of soiled diapers. Be sure to let us know if your child is potty trained or has any special needs.
